A Special General meeting' will be held for all share-holders of the Mangatawa Papamoa Blks. Inc., in regard "re-voting" to fill 2 vacancies to the 'committee of management'.

This is due to an error on some of the 'proxy forms' distributed for the Annual General meeting held 21 September 2019.

Formal notice will be sent to all share-holders with known addresses as soon as the SGM arrangements have been finalised.
